Supporting Your Editorial Experience

Dear Preeti Bala,

Thank you for submitting your chapter proposal, "Introduction to machine learning," for the upcoming book, "Advanced Deep Learning Applications in Big Data Analytics." After reviewing your recent proposal, I believe the topic of your proposed chapter is consistent with the theme of this book and could make a significant contribution to this project. I therefore encourage you to begin preparing your full chapter and submit a copy before Tuesday, June 25, 2019 at the following URL:

<https://www.igi-global.com/submission/submit-chapter/?projectId=1541c518-ce61-4aa9-9310-82e7bfdcecce>

Please note that you will be asked to create an account prior to uploading your chapter to the system. This is to ensure the security of your work and to assist you in organizing your materials for submission, receiving and providing peer reviews, and making any necessary revisions to your chapter. For information on creating and accessing your Web account, please see our tutorial at www.igi-global.com/publish/contributor-resources/book-submission-system/video-guide/#creating-a-user-account.

The following documents are provided by the publisher, IGI Global (www.igi-global.com), to aid in the writing of your chapter:

Ensure your chapter has been professionally copy edited

It is crucial that professional copy editing is conducted prior to submission to ensure proper use of the English language, proper grammatical structure, and correct spelling and punctuation. Submitted chapters are considered to be in their final form and ready for publication as is. We recommend eContent Pro for copy editing (**currently offering 25% discount**):
