### **SJMC created history: Three competitions, three awards**

School of Journalism and Mass-Communication, IMS, Noida, students have again set a better example of winning spirit . The students earned prizes in all the three competitions organized under 'Prerna Vimarsh 2020'. This joint event of Gautam Buddha University and Prerana Institute was held on 9 February in Greater Noida.

In Essay Competition, Ayush Srivastava, student of MJMC-2, secured first position. Similarly, MJMC-2 student Divya Verma and BJMC-4 student got third prize in Patrakar pratibha khoj pariksha and short film. The winners received the award from the Speaker of the Lok Sabha Mr.Om Birla in a ceremony held at the auditorium of Gautam Buddha University. All winners and general participants have also received certificates.

The participation of our students in the event started through registration. 3 students registered for essay competition, titled- 'New journalism of new india', 5 for short film competition and 13 for Patrakar pratibha khoj pariksha. A total of around 600 students from various universities and colleges participated in these competitions.

Patrakar pratibha khoj pariksha ( Journalist talent search examination) was also conducted in our college.

Mr. Vijay Sharma, Astd.Professor, SJMC, provided best possible guidance and mentoring to all the participating students of our institute and motivated them to grab the award in a big event. The students met our hopes and they won the award in all three competitions and brightened the name of the college.

Special thanks to Dr. Manju Gupta, Dean (Academics) of the college, who encouraged us from time to time.
