**SUBJECT: Letter of Appreciation for Tanya Singh - BBA (2017-2020), IMS Noida.**

My name is Madhav Bagai and I have known Ms Tanya Singh for a span of 29 months. She has worked at various positions over the course of 28 months at AIESEC in Delhi University, where I am the Local Committee President. Having had the privilege to work with her for 12 months now in the Executive Board, I have seen and witnessed her never quit attitude, ability to lead a team and admire the way she makes everyone in the team well bonded and comfortable.

I have observed Tanya as a person with strong directives and moral guidelines, a person that devotes herself to every role she has been on and strives for excellence. The sincerity and dedication towards the organisation's essence oozes out in every small thing that she does. The art of brevity, excellence and facilitating experiences is something she has surely mastered throughout her journey and continues to do that in everything she signs up for.

She has the courage to take action and the unique trait to make others aspire to be the best version of them. The way she is with people from all walks of life is still something that intrigues the ones who are led by her. Tanya has always had an everlasting effect with the people she is around, and always giving people the opportunity, to learn and fail, and getting better the next time.

Not just she won the best TL and member award for the last year and won the elections for Vice President, Corporate Relations, Delhi Region for AIESEC in Delhi University but throughout her Local Committee Vice President role, she has shown the attributes of a person who has a never ending zeal to learn which is evident from the fact that she has successfully delivered more than 40 cross cultural exchanges in her AIESEC term and solved over 12 international cases that have been pending for years. In addition to her role as Vice President Incoming Global Talent, Tanya has also been appointed as part of the National Support Team, Manager & Consultant for Incoming Global Talent & VPP AIESEC in United States.

She is a person who brings constant motivation and an unconventional mindset to the team, and at the same time acts as that sudden burst of humour to calm everyone down. She stands for and demonstrates integrity, honesty and handwork which is definitely going to help her to do wonders in all his endeavours in the coming year.

Please feel free to contact me if I can be of further assistance.

Warm regards,

**Madhav Bagai**
