STUDENT'S SATISFACTION SURVEY

YEAR-2019-20

STUDENT'S SATISFACTION SURVEY (2019-20)

Student Satisfaction Survey (SSS) is one of the mandatory criteria set by National Assessment and Accreditation Council (NAAC). For the NAAC AQAR (2019-20), Students Satisfaction Survey (SSS) was conducted among the students of the college. The questionnaire has been framed based on NAAC guidelines. Students have rated the question in a scale of 0 to 4. The result of this survey is based on the response of 340 students. The summary is displayed on the college website under NAAC webpage.

The Student Satisfaction Survey by NAAC mainly focuses on Teaching Learning Evaluation. It collects in-depth data of a student's satisfaction with the teaching learning environment of the college. The students responses are collected and analyzed based on 21 questions designed by NAAC. Each question in the NAAC SSS format is aimed at collecting factual opinion of students on curriculum, preparedness of the teachers, completion of syllabus, attitude of teachers, transparency fairness in internal evaluations, reaction of the students regarding pedagogy, placement possibilities, curricular and extra-curricular activities, overall impression and suggestions about the college.

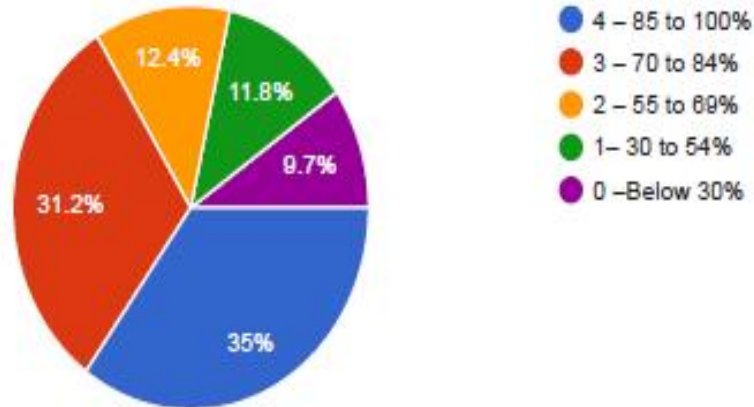

After going through the question set one understands that the feedback collected from students is definitely useful for the streamlining the services offered to students. It seems that the survey was created by experts and leaders in the education to assist the educational institutions to define the success of the most important aspect of education- teaching and learning.
